Nursery Covid Update

Firstly, thank you to all of our families for your kind words and understanding over the past few weeks. We very much value having such a supportive wider nursery family.

At present, we are still managing staff absences with thankfully little disruption to the running of the setting. We are hoping for a steadier February and will continue to keep you up to date with any changes.

New isolation guidance has been issued by the government, this came into effect on Monday 17th January. Please use the link below to keep up to date, if you have any questions contact Laura Foster at finance@lowercovey.co.uk
